

BAKGROUND AND OVERVIEW

Trade Fast T Limited is a value oriented, and research driven investment advisory firm that seeks to earn above average, long-term returns by identifying value investments across the globe. Founded 2013, Trade Fast T Limited has been a significant player in the development and management of alternative investment program for over 6 years.

Our business includes Real Estate, Cryptocurrency Trading, Custody Service, Fixed Income Sale, and multi-asset portfolios, independently managed account platform which provides strong governance, segregation of assets, and enhanced transparency. We have an ingrained culture of continual improvement of our investment and research processes, operations and IT infrastructure which has led early initiatives to obtain greater transparency from underlying managers and through development of sophisticated risk management tools.

We continue to improve our ability to obtain and effectively use a high degree of transparency on the underlying factors and risks in each of our portfolios
